PROFESSIONAL SUMMARY

Passionate and highly imaginative Designer with a Bachelor's in Design and a deep focus on UI/UX Design. Adept at transforming complex problems into intuitive, aesthetically pleasing digital experiences. Driven by a high degree of Creativity and technical mastery of Figma and Adobe XD. Committed to user-centered design principles and continuous learning in the ever-evolving digital landscape.

CORE TECHNICAL SKILLS

- Design Tools: Figma (Advanced), Adobe XD (Advanced), Adobe Photoshop, Adobe Illustrator, Sketch.
- Specializations: UI/UX Design, Wireframing, High-Fidelity Prototyping, Visual Design, User Research.
- Core Strengths: Creativity, Conceptual Thinking, Typography, Color Theory, Prototyping.
- Methods: Design Thinking, User-Centered Design (UCD), Interaction Design.

PROJECTS & INTERNSHIP EXPERIENCE

UI/UX Design Intern | Nova Creative Labs
June 2023 – December 2023

- Collaborated with the senior product team to create responsive web layouts using Figma, ensuring brand consistency across all platforms.
- Drafted interactive mobile app prototypes in Adobe XD, facilitating user testing sessions that led to a 15% increase in task completion rates.
- Applied high-level Creativity to develop custom iconography and visual assets for a major fintech client rebranding project.
- Assisted in conducting user research and persona development to inform UI/UX Design decisions for an e-commerce startup.

Junior Freelance Designer | Independent Projects
January 2022 – May 2023

- Conceptualized and designed visual identities for 5+ small businesses, demonstrating a unique sense of Creativity and market awareness.

- Built comprehensive design systems and wireframes using Figma for a non-profit organization's mobile application.
- Executed end-to-end UI/UX Design for a personal project "FoodFinder," including user flows, wireframes, and final high-fidelity mockups in Adobe XD.

EDUCATION

Bachelor's in Design
Pratt Institute, New York | 2018 – 2022
Specialization: Digital Media & Interaction Design

PORTFOLIO HIGHLIGHTS

- Re-Design Concept (Spotify): A case study focusing on mobile navigation improvements using Figma, resulting in a streamlined user experience.
- SmartHome App: An end-to-end UI/UX Design project developed in Adobe XD, emphasizing accessible design for elderly users.
- Visual Exploration Series: A collection of digital illustrations showcasing avant-garde Creativity and experimental color palettes.

AWARDS

- Dean's List (2019-2022)
- Top Talent Award – Adobe Creative Jam (2022)
